22nd March 2019

Prospect High School Association Committee

What does the PHSA do?

- Reviews school policies and plans for improvement of the school
- Reviews and discussions on uniforms, dress codes, levies and charges policies
- Foster co-operation among teachers, students, parents and the school community
- Assist in the raising of funds to support the activities and equipment of the school
- Assists in awards, recognition and funding requests (Eagle Awards, Grade 10 Celebrations, Sports funding)

Each meeting we spend time discussing the current status of the school, current events, activities and improvements through our Principle's report and an update from the schools' Student Leaders.

We also discuss fundraising and would like to broaden this space with new members.

If you are at all interested in being part of this committee or interested to see how it all works, please come along. We strongly encourage and invite as many parents, friends and community members to our next meeting. Our meetings go for around 1 1/2 to 2 hours.

We will be arranging some catering for this meeting, so if you would like to register your interest (for catering purposes) and receive a reminder, please email: prospect.high@education.tas.gov.au

Next meeting will be held at: **Prospect High School**
Wednesday, 3rd April 2019
5.00pm
Meeting room (front of school)

Look forward to seeing you there 😊
